

## Stage 03: Transmission Company Analysis

### P268 'Clarify the P/C status process for exempt export BM Units'

What stage is this document in the process?

01 Initial Written Assessment

02 Definition Procedure

03 Assessment Procedure

04 Report Phase

#### Response Form

The P268 Workgroup requests that you provide a Transmission Company impact assessment and analysis of P268. In particular, it asks you to respond to the following questions and give your reasons for your views.

#### Transmission Questions

##### Question 1:

Please describe the impact(s) of the Proposed Modification and the potential Alternative Modification on your ability as the Transmission Company to discharge your obligations efficiently under the Transmission Licence, and to operate an efficient, economical and co-ordinated Transmission System.

##### Please give your response:

No anticipated impact

##### Question 2:

Please outline your views on whether the Proposed Modification or the potential Alternative Modification would better facilitate the achievement of the Applicable BSC Objectives.

##### Please give your response:

Neutral

##### Question 3:

Please outline the impact of the Proposed Modification and the potential Alternative Modification on the Transmission Company's computer systems and processes. Please include details of any changes needed as a result of implementing the Proposed Modification or the potential Alternative Modification.

##### Please give your response:

No anticipated impact

#### Your response

We invite you to respond to the questions in this form.

#### How to return your response

Please email your response, with 'P268 Transmission Company Analysis' in the subject line, to [modifications@elexon.co.uk](mailto:modifications@elexon.co.uk) by **5pm on Friday 10 June 2011**.

#### Question 4

Please outline any potential issues relating to security of supply arising from the Proposed Modification or the potential Alternative Modification.

##### Please give your response:

We do not anticipate any issues relating to security of supply arising from P268

#### Question 5:

Please provide an estimate of the development, capital and operating costs (in appropriate detail) which you as the Transmission Company anticipate that you would incur in implementing the Proposed Modification or the potential Alternative Modification.

##### Please give your response:

No anticipated costs in implementing P268

#### Question 6:

Please provide details of any consequential changes to Core Industry Documents and/or the System Operator Transmission Owner Code that you believe would be needed as a result of implementing the Proposed Modification or the potential Alternative Modification.

##### Please give your response:

No changes required

#### Question 7:

Would you like to make any other comments on P268?

No further comments

#### Any questions?

## Further information

To help us process your response, please:

- Email your completed response form to [modifications@elexon.co.uk](mailto:modifications@elexon.co.uk);
- Include "P268 Transmission Company Analysis" in the subject line of your email;
- Include a phone number in your covering email, so that we can contact you if we have any questions; and
- Respond by **5pm on Friday 20 May 2011** (the Workgroup may not be able to consider late responses).

The Workgroup will discuss your response before making a recommendation to the Panel in July 2011 on whether to approve P268.
