

Stage 03: Transmission Company Analysis

P269 'Prevention of Base Trading Unit BMUs' Account Status Flipping from Consumption to Production'

Response Form

The P269 Workgroup requests that you provide a Transmission Company impact assessment and analysis of P269. In particular, it asks you to respond to the following questions and give your reasons for your views.

Transmission Questions

Question 1:

Please describe the impact(s) of P269 on your ability as the Transmission Company to discharge your obligations efficiently under the Transmission Licence, and to operate an efficient, economical and co-ordinated Transmission System.

Please give your response:

No anticipated impact

Question 2:

Please outline your views on whether P269 would better facilitate the achievement of the Applicable BSC Objectives.

Please give your response:

Neutral

Question 3:

Please outline the impact of P269 on the Transmission Company's computer systems and processes. Please include details of any changes needed as a result of implementing P269.

Please give your response:

No anticipated impact

What stage is this document in the process?

01 Initial Written Assessment

02 Definition Procedure

03 Assessment Procedure

04 Report Phase

Your response

We invite you to respond to the questions in this form.

How to return your response

Please email your response, with 'P269 Transmission Company Analysis' in the subject line, to modifications@elexon.co.uk by **5pm on Friday 10 June 2011**.

Question 4

Please outline any potential issues relating to security of supply arising from P269.

Please give your response:

We do not anticipate any issues relating to security of supply arising from P269

Question 5:

Please provide an estimate of the development, capital and operating costs (in appropriate detail) which you as the Transmission Company anticipate that you would incur in implementing P269.

Please give your response:

No anticipated costs in implementing P269

Question 6:

Please provide details of any consequential changes to Core Industry Documents and/or the System Operator Transmission Owner Code that you believe would be needed as a result of implementing P269.

Please give your response:

No changes required

Question 7:

Would you like to make any other comments on P269?

No further comments

Further information

To help us process your response, please:

- Email your completed response form to modifications@elexon.co.uk;
- Include "P269 Transmission Company Analysis" in the subject line of your email;
- Include a phone number in your covering email, so that we can contact you if we have any questions; and
- Respond by **5pm on Friday 20 May 2011** (the Workgroup may not be able to consider late responses).

The Workgroup will discuss your response before making a recommendation to the Panel in July 2011 on whether to approve P269.
