**Manifest errors**

| Ref. | Section | Live Version | Area(s) Affected | Type of Change | Identified By | Description of Change |
|------|---------|--------------|------------------|----------------|---------------|------------------------|
| 1 | F | 12.0 | 2.6.6(d) | Manifest Error | ELEXON | Requires 'and' after semi-colon |
| 2 | I | 7.0 | Annex I-2 | Manifest Error | ELEXON | Table B 'Trading Unit Configurations' contains 2 References to 'Class 5 Trading Units'.  Under P174, the existing Class 5 Trading Units will be rebadged as Class 6 Trading Units, and a new Class 5 Trading Unit introduced. However, the P174 Legal Drafting does not include amendment to Section I, Annex I-2, Table B. Therefore these 2 instances of 'Class 5 Trading Unit' should be amended to 'Class 6 Trading Unit'. |
| 3 | Q | 15.0 | 5.1.11 | Manifest Error | ELEXON | Paragraph 5.1.11 should be one paragraph as there is no (b). This was an error in the legal text for P177 which the Authority had approved, so could not be corrected at implementation date. |
| 4 | T | 16.0 | 4.5.1 (a) | Manifest Error | ELEXON | The equation should read: $QCE_{iaj} = \{(QM_{ij} - QBS_{ij}) * (QMPR_{iaj}/100) + QMFR_{iaj}\} * TLM_{ij}$ . $QB_{ij}$ is not defined in Section X-2. $QBS_{ij}$ refers to the Period BM Unit Balancing Services Volume, as is intended in the equation. |
| 5 | X-2 | 24.0 | Annex X-2 Table X-2 | Manifest Error | ELEXON | X-2 contains two definitions each of $QMFR_{ziaj}$ and $QMPR_{ziaj}$.  The first two acronyms are incorrect - they should not have a 'z' in the subscript, as they are meant to be terms that describe total MWh and % values summed over all volume notifications, z. The 'z's were incorrectly added into the legal text as part of other changes to Annex X-2 implemented by P179. |

| 25 | I | 7.0 | 8.2.1 | Code Defined Term | ELEXON | 'BSCCO' should be BSCCo. |
| 26 | K | 22.0 | 1.8.2(b)(i) | Code Defined Term | ELEXON | 'systems' should be capitalized, as Distribution System is a Code Defined Term. |
| 27 | L | 10.0 | 3.6 | Code Defined Term | ELEXON | 'metering equipment' should be capitalised as it is a Code Defined Term. |
| 28 | M | 18.0 | Annex M-1 | Code Defined Term | ELEXON | 'Elexon Clear' should be upper case. Amend to 'ELEXON Clear' for the Form of Letter of Credit. |
| 29 | X-1 | 32.0 | Definition | Code Defined Term | ELEXON | 'BSCo' should be 'BSCCo: means a contract between...'. |
| 30 | X-1 | 32.0 | Definition | Code Defined Term | ELEXON | The 'Metered Volume Reallocation Notification Agent' or 'MVRNA' definition currently reads: 'means a person authorised in accordance with Section P as Party Agent by a Contract Trading Party to submit Meter Volume Reallocation...' It should read: 'means a person authorised in accordance with Section P as Party Agent by two Contract Trading Parties to submit Metered Volume Reallocation...' |
| 31 | X-1 | 32.0 | Definition | Code Defined Terms | ELEXON | Definition of BSCCo reads 'Elexon Limited', should read 'ELEXON Limited'. |

**Redundant clauses**

| Ref. | Section | Live Version | Area(s) Affected | Type of Change | Identified By | Description of Change |
|---|---|---|---|---|---|---|
| 32 | D | 11.0 | 4.1(a)(v) | Redundant Clause | ELEXON | Remove references to P6 as all operational requirements under this section of the code have now been fulfilled. |
| 33 | G | 5.0 | 1.1.2(b) | Redundant Clause | ELEXON | Remove references to P6 as all operational requirements under this section of the code have now been fulfilled. It should be noted that the removal of G1.1.2 (b) will lead to the subsequent renumbering of sub paragraphs (c) to (f), which would be amended to (b) to (e) |
| 34 | H | 10.0 | 3.1.1(g)(iv) | Redundant Clause | ELEXON | Section H3.1.1 (g) (iv) refers to an administration order under Section 8 of the Insolvency Act 1986.  As a consequence of the Enterprise Act, a simpler process for the appointment of administrators has been introduced, and accordingly Section H3.1.1(g)(iv) no longer addresses the primary operative process for the appointment of an administrator.  Section H3.1.1.(g)(iv) therefore, as a inadvertent consequence of the Enterprise Act, would operate on a narrower basis than previously, and on a narrower basis than intended when the Code was drafted.  Section H should therefore be amended to remove the reference to Section 8 and to simply refer to the appointment of an administrator.   In this regard it should be noted that the intent of Section H3.1.1(g) is to address the basic types of "insolvency events" which may occur.  The consequential amendment to Section H3.1.1(g)(iv) set out below will ensure that the effect of Section H3.1.1(g) is not inadvertently narrowed. Section H3.1.1 (g) (iv) should read:<br>'the Defaulting Party has an administrator appointed or a winding-up order made in relation to it; or'. |
| 35 | M | 18.0 | 3.5.2 | Redundant Clause | ELEXON | Remove references to P6 as all operational requirements under this section of the code have now been fulfilled. Therefore paragraph 3.5.2 will be deleted. |
| 36 | P | 12.0 | 6. | Redundant Clause | ELEXON | Delete section 6 in its entirety which relates to P6 as all operational requirements under this section of the code have now been fulfilled. |
| 37 | U | 8.0 | 1.6.4 | Redundant Clause | ELEXON | Remove references to P6 as all operational requirements under this section of the code have now been fulfilled. Therefore sub paragraphs (a) and (b) will disappear and 1.6.4 will remain as a single paragraph with the following text removed: 'pursuant to Section P6.5.1(c)' |
