

Stage 03: Transmission Company Analysis

P252: Removal of Trading Parties' ability to submit two votes at elections of BSC Panel industry members

Response Form

The P252 Modification Group requests your impact assessment of P252. In particular, we ask for your responses to the following questions and your reasons for those responses.

Transmission Questions

Question 1:

Please describe the impact(s) of the Proposed Modification on your ability as a Transmission Company to discharge your obligations efficiently under the Transmission Licence and to operate an efficient, economical and co-ordinated transmission system.

Please give your response:

Transmission Company has not identified any impact upon our ability to discharge our obligations under the Transmission Licence.

Question 2:

Please outline your views and rationale on whether the Proposed Modification would help to achieve the applicable BSC Objectives.

Please give your response:

It is not clear to the Transmission Company as to what the defect is, and hence is unable to comment on whether this proposal would better facilitate any of the BSC objectives.

Question 3:

Please outline the impact of the Proposed Modification on the computer systems and processes of the Transmission Company. Include details of any changes needed as a result of implementing the Proposed Modification.

Please give your response:

The modification will have no impact on our systems and processes.

What stage is this document in the process?

Question 4

Please outline any potential issues relating to security of supply arising from the Proposed Modification.

Please give your response:

Transmission Company has not identified any issues relating to security of supply from this modification.

Question 5:

Please provide an estimate of development, capital and operating costs in appropriate detail which you as a Transmission Company anticipate that you would incur in implementing the Proposed Modification.

Please give your response:

No such costs are envisaged as a result of implementation of this proposal.

Question 6:

Please provide details of any consequential changes to Core Industry Documents and/or the System Operator Transmission Owner Code that would be needed as a result of implementing the Proposed Modification.

Please give your response:

N/A

Question 7:

Would you like to make any other comments on P252?

No.

Any questions?

If you have any queries on about the consultation form, please contact Insert name here on **020 7380 4363** or **Adam.lattimore@elexon.co.uk**.

Further Information

To help us process your response, please:

- Email your completed response form to **modifications@elexon.co.uk**
- Use the following text in the subject line of your email: "P252 Transmission Company Analysis"
- Include a phone number in your covering email, so that we can contact you if we have any questions
- Respond by 5.00pm on 19 March 2010 (the Modification Group may not be able to consider late responses)

The Modification Group will consider your response at its next meeting. Once the Group has completed its assessment of P252, it will draft the Assessment Report, and present it to the April Panel meeting.
