Dear Nick,

**Panel recommendation regarding the timetable for Urgent Modification Proposal P205
'Increase in PAR Level from 100MWh to 500MWh'**

Subsequent to the Authority's direction of the process and timetable to be followed in relation to Urgent Modification Proposal P205, the required data processing has been completed in advance of estimated timescales. Hence, an opportunity to shorten the overall process has been identified and is recommended by the BSC Panel. Therefore, I am writing to seek the Authority's, endorsement of the revised process and timetable to be followed in respect of the Urgent Modification Proposal as set out below.

Activity	Original Date	Revised Date
Generate Pricing Data	12 July - 22 August 06	12 July - 7 August 06
MG Consider Pricing Data	-	7 – 14 August 06
First Modification Group Meeting	23 August 06	15 August 06
Issue Consultation to Modification Group for review	29 August 06	18 August 06
Comments from Modification Group	31 August 06	22 August006

Second Modification Group Meeting	12 September 06	1 September 06
Issue Urgent Modification Report to Modification Group for review	18 September 06	6 September 06
Comments from Modification Group	20 September 06	8 September 06
Issue Urgent Modification Report to Panel	21 September 06	11 September 06
Panel Meeting	22 September 06	14 September 06
Issue Urgent Modification Report to Authority	27 September 06	15 September 06

Decision Required

You are invited to agree the revised P205 timetable as recommended by the BSC Panel, I would be grateful if you could reach a timely decision on this matter.

Yours sincerely,

Nick Durlacher
