<p>Ann Penford YEDL/NEDL</p>	<p>What impact, if any, will the Modification have on your organisation? It is not clear at the moment what impact if any, this modification will have on the calculation for YEDL/NEDL Group Take</p> <p>What implementation timescale, if applicable, would your organisation require to implement the changes associated with the Modification? N/A</p> <p>What costs, if any, would your organisation incur to implement the changes associated with the Modification? N/A</p>
<p>Sue Macklin Scottish and Southern Energy; Southern Electric; Keadby Generation Ltd; and SSE Energy Supply Ltd.</p>	<p>What impact, if any, will the Modification have on your organisation? Minor</p> <p>What implementation timescale, if applicable, would your organisation require to implement the changes associated with the Modification? 14 working days</p> <p>What costs, if any, would your organisation incur to implement the changes associated with the Modification? Low</p> <p>Any other comments: None</p>
<p>Man Kwong Liu Scottish Power UK plc ScottishPower Energy Management Ltd. ScottishPower Generation Ltd. ScottishPower Energy Retail Ltd. SP Manweb plc. SP Transmission Ltd.</p>	<p>What impact, if any, will the Modification have on your organisation? Settlement system and process.</p> <p>What implementation timescale, if applicable, would your organisation require to implement the changes associated with the Modification? 3 months notice.</p> <p>What costs, if any, would your organisation incur to implement the changes associated with the Modification? In the region of £10k.</p> <p>Any other comments: As per our response to the P139 assessment consultation.</p>
<p>Clare Talbot National Grid</p>	<p>What impact, if any, will the Modification have on your organisation? Limited impact has been on our systems and processes has been identified as a result of this proposed modification.</p> <p>What implementation timescale, if applicable, would your organisation require to implement the changes associated with the Modification?</p>

	<p>Based on the assumption that the Trading Unit data would be submitted in the same format and via the same information flow as used for the existing Trading Units (ie. the CRA I020), we believe that we could accommodate the required changes in a timescale of 5 working days notice from the date of implementation.</p> <p>What costs, if any, would your organisation incur to implement the changes associated with the Modification?</p> <p>Limited costs have been identified as a result of this proposed modification.</p>
