

CP1294 - Proposed redlined changes to SVA Data Catalogue Volume 2 v25.0

Changes for Volume 2 Appendix A (Data Item Index)

These changes are redlined against the live version of Volume 2 (v25.0), including the approved changes for CP1269 which will be implemented in the November 2009 Release.

Add the new data items Effective From Settlement Date and Effective To Settlement Date to the data item index in alphabetical order, and refer to the DTC for the location of their definitions:

<u>Data Item Name</u>	<u>Defined In</u>
