

Red Lined Changes for BSCP520 ‘Unmetered Supplies registered in SMRS’

Clarification of Half Hourly Unmetered Supplies registration to Section 1.3.8 ‘Half Hourly Trading’.

1.3.8 Half Hourly Trading

The Supplier shall appoint Party Agents and send the registration details to SMRA. In addition the Supplier shall nominate the MA as the Meter Operator Agent (MOA).

The Supplier shall confirm with the UMSO the type of EM that is to be used in the LDSO’s area associated with the MSID and whether this requires photo-electric cell unit (PECU) arrays or a Central Management System (CMS) to be used.

The Supplier shall advise the UMSO of the appointed MA. The UMSO shall send a copy of the current summary inventory to the MA of a passive EM or dynamic PECU EM appointed for an MSID. Where the UMSO requires more than one PECU array to be installed for an MSID, the summary inventory shall identify the Apparatus, suitably codified, to be assigned to each PECU array. Where a CMS is required, the UMSO shall create and send a control file to the MA detailing the Apparatus that is to be managed by the CMS.

In addition, any agreed updates to the summary inventory or any control file shall be advised to the appointed MA.

No further changes have been made to this BSCP
