

CRA Service Description Extract for Contingency Provisions

7. FAILING SUPPLIER PROCESS

The CRA shall:-

- 7.1 receive notice from BSCCo that a Supplier has failed and that its assets are to be transferred to the Trading Party identified by BSCCo as the Replacement Supplier;
- 7.2 establish a Replacement Supplier BM Unit corresponding to and having the exact same configuration as each BM Unit to which the failing Supplier was appointed, with the Replacement Supplier registered as its Lead Party;
- 7.3 at the request of the Replacement Supplier, transfer the registration of the failing Supplier's Metering Systems to the Replacement Supplier;
- 7.4 where the failing Supplier was appointed to a Base BM Unit, transfer responsibility for any Generating Plants comprised in such BM Units to the Replacement Supplier; and
- 7.5 ensure that the Replacement Supplier BM Units become effective on and from the date advised by BSCCo (the Replacement Supplier Transfer Date).
