

Change Proposal – F40/01 (Page 1 of 2)	CP No: 791 <i>(mandatory by BSCCo)</i>
<p>Title <i>(mandatory by originator)</i></p> <p>Notification of SMRS Refreshes.</p>	
<p>Description of Change <i>(mandatory by originator)</i></p> <p>BSCP503 'Half Hourly Data Aggregation for SVA Metering Systems Registered in SMRS' and BSCP505 'Non-Half Hourly Data Aggregation for SVA Metering Systems Registered in SMRS' imply that the SMRA must issue scheduled date notifications for all information refreshes (either Full or Selective Refreshes) to the Data Aggregator. The scheduled date is only to be provided for Full Refreshes and this is not reflected in either BSCP503 or BSCP505. This is inconsistent with BSCP501 'Supplier Meter Registration Service' as well as the Master Registration Agreement (MRA), which states that such notifications are only required for Full Refreshes.</p> <p>This CP has been raised from SIR R2328 'Clarify Agreed Procedures to indicate that scheduled date notifications are not required for selective refreshes'.</p>	
<p>Proposed Solution(s) <i>(mandatory by originator)</i></p> <p>1. Make the following changes to BSCP503, new text in bold:</p> <p><u>2.2.2 'Request SMRS Refresh Data' (Workflow Diagram)</u> Change the wording in step 3.2.2.3 in the SMRA and HHDA lanes to:</p> <ul style="list-style-type: none"> ▪ "Notify of scheduled date for delivery of full refresh" (SMRA box); and ▪ "Receive notification of scheduled date for delivery of full refresh" (HHDA box). <p><u>3.2.2 'Request SMRS Refresh Data' (Interface and Timetable Information)</u> Change the wording in 3.2.2.3 to: WHEN: "If request accepted then, within 1 WD of receipt of request for full refresh." ACTION: "Notify HHDA of scheduled date for delivery of full refresh." INFORMATION REQUIRED: Replace existing text with "Scheduled date for delivery of full refresh."</p> <p>2. Make the following changes to BSCP505, new text in bold:</p> <p><u>2.2.3 'Requests for SMRS Information' (Workflow Diagram)</u> Change the wording in step 3.2.3.3 in the SMRA and NHHDA lanes to:</p> <ul style="list-style-type: none"> ▪ "Notify of scheduled date for delivery of full refresh" (SMRA box); and ▪ "Receive notification of scheduled date for delivery of full refresh" (NHHDA box). 	

3.2.3.3 'Requests for SMRS Information' (Interface and Timetable Information)

Change the wording in 3.2.3.3 to:

WHEN: "If request accepted then within 1 WD of receipt **for full refresh.**"

ACTION: "Notify NHHDA of scheduled date for delivery of **full refresh.**"

INFORMATION REQUIRED: Replace existing text with "**Scheduled date for delivery of full refresh.**"

3. Change all occurrences of 'full refresh' and 'selective refresh' to initial capitals within both BSCP503 and BSCP505.
