

<b>Modification Proposal – BSCP40/03</b>	<b>MP No: P331</b> <i>(mandatory by BSCCo)</i>
<b>Title of Modification Proposal</b> <i>(mandatory by originator):</i>	
Extended Dispute Deadline at the Post-Final Settlement Run under exceptional circumstances	
<b>Submission Date</b> <i>(mandatory by originator):</i>	
14 January 2016	
<b>Description of Proposed Modification</b> <i>(mandatory by originator)</i>	
<p>Extending the Dispute Deadline for Settlement Errors at the Post-Final Settlement Run will provide increased flexibility in the timeframes for which corrections can be authorised. Rather than any broad extension to the overall deadline, it is proposed that only the provisions relating to exceptional circumstances be extended from one month to two months. Extending beyond this, even with the control of Trading Disputes Committee (TDC) determining exceptional circumstances, would risk a moral hazard.</p>	
<b>Description of Issue or Defect that Modification Proposal Seeks to Address</b> <i>(mandatory by originator)</i>	
<p>Due to the Dispute Deadline, a proportion of the disputed period under Trading Dispute DA686 could not be corrected. An extension to the deadline would have permitted full correction and Trading Disputes could arise in future that concern periods similar to, or greater than, DA686 so the current arrangements could result in further Settlement Error not being addressed.</p>

<b>Justification for Proposed Modification with Reference to Applicable BSC Objectives</b> <i>(mandatory by originator)</i>	
This Modification better achieves BSC Applicable Objective (d) ‘Promoting efficiency in the implementation and administration of the balancing and settlement arrangements’ as providing more flexibility in the timeframes that corrections can be authorised, limited to when the TDC or Panel believe that there are exceptional circumstances, would enable the resolution of more Settlement Error.
