

CIRCULAR

TYPE & NUMBER ELEXON Circular – EL02607

Date 14 February 2017

To BSC Parties

From BSC Operations

Purpose For information

ECVAA planned downtime: Wednesday 22 February 2017

What is happening?

There will be planned downtime for the Energy Contract Volume Allocation Agent (ECVAA) between **18:00 (GMT) and 18:30 (GMT) on Wednesday 22 February 2017**.

This downtime is required in order to deploy the [February 2017](#) BSC Release.

How will I be impacted?

During this period, there may be a short delay in the processing of contract notifications, Parties may also see a delay in any 'Acknowledgments' sent from ECVAA.

What do I need to do?

Parties may wish to arrange for their Agents to submit all contract notifications in advance of this planned downtime in order to reduce the risk of missing Gate Closure.

Will I receive ECVAA reports as normal?

Yes the current suite of ECVAA reporting will be unaffected by this planned downtime.

Is there anything else I need to know?
