## Consequential change from REC to enable mismatches in data between CSS and MPRS to be corrected

---

### 1. What is the purpose of this Impact Assessment?

---

- 1.1 A draft Change Proposal enables BSCCo to assess current impacts and gather essential information, supporting the ongoing REC change [R0201 'Creation of a Tool to Manually Correct ERDS / CSS Discrepancies'](#) and informing the BSCCo on this potential Change.
- 1.2 This Impact Assessment invites you to review the Draft Change Proposal Form (Attachment A) which has been drafted and reply to the Impact Assessment Questions (Attachment B).
- 1.3 **Please return your comments to [BSC.Change@elexon.co.uk](mailto:BSC.Change@elexon.co.uk), using the review form provided below, by 17.00 on 06 December 2024.**

### 2. What will happen after the Draft CP industry Impact Assessment?

---

- 2.1 Elexon will consider all review comments and update the proposal as required. Elexon will also discuss the outcome of any comments with the relevant reviewer where necessary.
- 2.2 We will then take the documents and a summary of any consultation responses, along with our actions in respect of those comments, to the upcoming Committees. The Committee papers will note any comments that we didn't action and the reasons why, and any subsequent course of action undertaken as a result.
