Dear Chris

**Modification of the Balancing and Settlement Code (“BSC”):  
Modification Proposal P182**

On 21 November 2005 National Grid Electricity Transmission plc (“NGET’s”) received notice from the Gas and Electricity Markets Authority that it had decided not to direct NGET to make Modification Proposal P182 to the Balancing and Settlement Code.

The Authority has decided that both the Proposed Modification and the Alternative Modification, as set out in the Modification Report for P182, should not be implemented.

Accordingly, NGET hereby gives notice of such notification to the Modification Secretary pursuant to Paragraph 1.1.4 of Section F of the Balancing and Settlement Code.

Yours sincerely

**Clare Talbot**
