

Change Proposal – F40/01	CP No: 970 Version No: 1.0
Title <i>(mandatory by originator)</i> Amendment to BSCP 31 'Registration of Trading Units' to remove reference to the P&SA	
Description of Problem/Issue <i>(mandatory by originator)</i> BSCP 31 'Registration of Trading Units', V4.0 (13 August 2002), section 4.1 'Trading Unit Registration Information' states (in the last bullet point) for 4.1 (a) 'BM Units other than Exempt Export or Supplier BM Units', that evidence provided can include: "Evidence that the BM Unit configuration was granted trading site status under the Pooling and Settlement Agreement." This requirement for evidence is now redundant and can be removed.	
Proposed Solution(s) <i>(mandatory by originator)</i> Remove the final bullet point of 4.1(a) 'Information Required' to remove the reference to "Evidence that the BM Unit configuration was granted trading site status under the Pooling and Settlement Agreement."	
Justification for Change <i>(mandatory by originator)</i> To remove redundant references and avoid confusion over the evidence that can be provided when requesting registration of a Trading Unit.	
Configurable Items Potentially Affected by Proposed Solution(s) <i>(optional by Originator)</i>	
Impact on Core Industry Documents <i>(optional by originator)</i> None	
Related Changes and/or Projects <i>(mandatory by BSSCo)</i> None	
Requested Implementation Date <i>(mandatory by originator)</i> Opportune Reason: It is a document only amendment which can be done the next time the document is 'open'.	
Agreed Release/Implementation Date <i>(mandatory by BSSCo)</i>
