

## **Redlined Extract of SSL360 v6.0 showing changes proposed by CP1223**

### **1.2 New Agencies**

- 1.2.1 The SVAA shall incorporate an agreed unique reference code to new Supplier Meter Registration Agents, Suppliers, Meter Operator Agents, Data Collectors, Data Aggregators, ~~Initial Allocation and Reconciliation Agent~~ and the SVAA upon being informed of their existence by the BSCCo. Such unique reference codes shall form part of the Market Domain Data and shall be agreed with BSCCo prior to their inclusion on an MDD Publish.

~~1.2.2 Where the CDCA has also assigned a unique reference code to any of the market participants in section 1.2.1, this shall also form part of the Market Domain Data.~~

### **1.3 ‘No Changes’**

### **1.4 ‘No Changes’**

### **1.5 ‘No Changes’**

### **1.6 ‘No Changes’**

### **1.7 Production of the SVAA Calendar**

- 1.7.1 The SVAA shall validate the SVAA Settlement Calendar produced by the SAA and confirm that the dates in the calendar are acceptable.
