

## Change Proposal – F40/01 (Page 1 of 2)

CP No: 840  
(mandatory by BSCCo)

**Title** (mandatory by originator) Amendments to the IDD– Part 1. (Version 4.7)

**Description of Change** (mandatory by originator)

This CP seeks to insert a new section 7.20.1, Sign Convention, and a new sub-heading 7.20.2, Notes on Functionality, to the existing text to the IDD – Part 1.

The table shown in appendix 1 details the Sign Conventions where Party 1 is selling and Party 2 is buying and then *vice versa*.

CP raised as a result of PMR31113.

This change is for clarification and no software changes are required.

**Proposed Solution(s)** (mandatory by originator)

The new section should contain the following text:

"This section clarifies the notes given in the spreadsheets, Part 2 of the IDD, regarding the sign conventions used for Energy Contract Volume Notifications (ECVAA-I004) and the reporting of this data in the subsequent Notification Reports (ECVAA-I014) and Forward Contract Reports (ECVAA-I022).

The table below (attached as an Appendix to this CP) details the Sign Convention where Party 1 is selling and Party 2 is buying and then *vice versa*."

**Justification for Change** (mandatory by originator)

The inclusion of a definitive statement for sign conventions will remove any confusion about the correct sign to apply when submitting ECVNs . It is a 'for avoidance of doubt' statement.
