

Change Proposal – F40 / 01 (Page 1 of 2)	CP No: 697 (mandatory by BSCCo)
Title (mandatory by originator)	
Removal of Inconsistency in BSCP75	
Description of Change (mandatory by originator)	
Section 4.1.1 of BSCP75 (Registration of Aggregation Rules for Volume Allocation Units) states that although the CDCA has prime responsibility for determining the Aggregation Rules for GSP Group Takes, he will fulfil this obligation by requesting PDSOs to submit Aggregation Rules for GSP Group Take for their Authorised Area and the PDSOs shall comply with any such request. Form BSCP75 / 4.2 is the form which Parties have to use to submit Aggregation Rules to the CDCA, however, there are no boxes to allow the identification of the GSP Group to which the Aggregation Rules apply.	
Proposed Solution(s) (mandatory by originator)	
In Section 1 of BSCP75 / 4.2 add two rows, one to identify GSP Group ID and the other to identify GSP Group name.	
Justification for Change (mandatory by originator)	
Removes inconsistency in BSCP75	
Other Configurable Items Potentially Affected by Proposed Solution(s) (optional by BSCCo)	
IDD CDCA_I001 Neta Data File Catalogue	
Impact on Core Industry Documents (optional by originator)	
None	
Related Changes and/or Projects (mandatory by BSCCo)	
None	
Originator's Details: BCA Name Organisation ...ELEXON LTD..... Email Address Date Organisation
