

<b>Change Proposal – F40/01 (Page 1 of 2)</b>	<b>CP No: 783</b> <i>(mandatory by BSCCo)</i>
<p><b>Title</b> <i>(mandatory by originator)</i></p> <p>Minor Enhancements to BSCP501 'Supplier Meter Registration Service'.</p>	
<p><b>Description of Change</b> <i>(mandatory by originator)</i></p> <p>This CP outlines two changes:</p> <ol style="list-style-type: none"> <li>1. Remove the reference to dataflow D0171 'Notification of Distributor Changes to Metering Point Details' from step 3.4.4 of process 3.4 'Change of Supplier for Half Hourly SVA Metering System' of BSCP501.</li> </ol> <p style="padding-left: 40px;">This CP has been raised from CR R3016 'Removal from AP501 of dataflow D0171 from 3.4.4'.</p> <ol style="list-style-type: none"> <li>2. Add BSCP550 'Shared SVA Meter Arrangement of Half Hourly Import and Export Active Energy' as a related BSCP to Section 1.5 of BSCP501.</li> </ol>	
<p><b>Proposed Solution(s)</b> <i>(mandatory by originator)</i></p> <ol style="list-style-type: none"> <li>1. Remove the D0171 'Notification of Distributor Changes to Metering Point Details' dataflow from the 'Information Required' box in step 3.4.4 of BSCP501.</li> <li>2. Add BSCP550 'Shared SVA Meter Arrangement of Half Hourly Import and Export Active Energy' to Section 1.5 of BSCP501.</li> </ol>	
<p><b>Justification for Change</b> <i>(mandatory by originator)</i></p> <ol style="list-style-type: none"> <li>1. The D0171 dataflow is only used when a Public Distribution System Operator updates the SMRS database via process 3.2 'Update of SMRS Database by Public Distribution System Operator'. The D0171 dataflow is already referenced in process 3.2.</li> </ol> <p style="padding-left: 40px;">The use of the D0171 dataflow in process 3.4 'Change of Supplier for Half-Hourly SVA Metering System' is therefore incorrect and should be removed.</p> <ol style="list-style-type: none"> <li>2. There are numerous instances where BSCP550 refers to BSCP501. Therefore applying this change will ensure that users reading BSCP501 are aware that there is a relationship between these two BSCPs.</li> </ol>
