Title (mandatory by originator) Change to return address in forms F601/03 and F601/05 of BSCP 601 'Metering Protocol Approval and Compliance Testing'	
Description of Change (mandatory by originator) It has been noticed that the return address for Forms F601/03 and F601/05 of BSCP 601 'Metering Protocol Approval and Compliance Testing' are addresses to the Panel. Steps 2.1.1 and 2.1.4 of BSCP 601 specify that these forms should be returned to BSCCo, and so a change is required to the forms to ensure that they are delivered to the correct department.	
Proposed Solution(s) (mandatory by originator) In forms F601/03 and F601/05, of BSCP 601 'Metering Protocol Approval and Compliance Testing' change the return address from 'The Panel' to 'BSCCo'	
Justification for Change (mandatory by originator) One of these forms has been returned and delivered to the modifications department for the attention of The Panel. Fortunately, it was noticed and redirected to Trading Development. This change should stop future submissions of forms being directed to the wrong department.
