

Change Proposal – F40/01 (Page 1 of2)	CP No: 770 (mandatory by BSCCo)
Title (mandatory by originator) Corrections to SVA Party Service Lines PSL110, 120, 130 and 140.	
Description of Change (mandatory by originator) To correct sections of the current versions of the above Party Service Lines, in order to make reference to the BSC SVA Data Catalogue rather than an unspecified 'Data Catalogue'.	
Proposed Solution(s) (mandatory by originator) <u>PSL110</u> Section 1.1.5.1 - remove the words 'and defined Data Interfaces' from the 4th line of the paragraph. <u>PSL120</u> Section 1.1.3.1 - change this section to read: 'The Non Half Hourly Data Collector shall send and receive data and other information relating to its activities as Non Half Hourly Data Collector in accordance with the BSC SVA Data Catalogue.' Section 5.4, paragraphs (f) and (g) - replace the words 'data Catalogue' with 'BSC SVA Data Catalogue'. <u>PSL130</u> Section 1.1.5.1 - the third line should be changed to read '...to satisfy its related obligations under the Code and in accordance with this PSL, its Appendices and the BSC SVA Data Catalogue.' <u>PSL140</u> Section 5.5, paragraphs (f) and (g) - replace the words "Data Catalogue" with "BSC SVA Data Catalogue".	
Justification for Change (mandatory by originator) The current PSLs are inconsistent in their use of the term "BSC SVA Data Catalogue". This CP aligns the different PSLs and makes sure that any references to data catalogues are correct.
