<p>Title Bid-Offer records within Settlement Report</p>	
<p>Description of Change</p> <p>Add a note to the description of Flow SAA-I014 sub-flows 2 and 3 in the IDD stating that only accepted bid-offer pairs are reported in settlement runs after the Interim Initial Settlement Run.</p> <p><i>This CP has been raised to supersede NCR338</i></p>	
<p>Proposed Solution(s)</p> <p>Version 3.6 of the "Interface Definition and Design – Part 2" requires the following changes: For both Section 7.26, page 63 and Section 5.17, page 46, add the following sentence after "For subsequent Settlement Runs ... and BM Unit Period Bid-Offer Acceptance Spot Points (BO3)":</p> <p>"Furthermore, BM Unit Period Bid-Offer Information (BO4) and BM Unit Period Bid-Offer Spot Points (BO2) are only provided for Bids/Offers that have been accepted."</p>	
<p>Justification for Change</p> <p>The Logica systems have been developed so that for the Interim Initial Settlement Run, the full set of Bid-Offer pairs is provided in SAA-I014 sub-flows 2 and 3, but only accepted pairs are included for subsequent Settlement Runs. This is not explicitly stated within the IDD. This has caused confusion to other Service Providers.</p>
