| Change Proposal – F40/01 (Page 1 of 2) | CP No: 530 <i>(mandatory by BSCCo)</i> |
| | |
| Title <i>(mandatory by originator)</i> Reporting of CALF Values to Elexon | |
| Description of Change <i>(mandatory by originator)</i> BSCC do not currently receive CALF values back from the CRA, after they have been submitted. Therefore the BSCC cannot confirm that the CALF values provided have been registered correctly by the CRA. This increases the risk that an error in process of registering a CALF value in CRA will not be detected. <i>This CP has been raised to supersede NCR341</i> | |
| Proposed Solution(s) <i>(mandatory by originator)</i> Modify Flow CRA-I020 (R0201), which is sent to BSCC Ltd and the SO, as follows: In group 'BM Unit Registration' (BR3), add data item 'Credit Assessment Loss Factor', mandatory, at the end of the group. | |
| Justification for Change <i>(mandatory by originator)</i> To uphold the integrity of Settlements. | |
| Other Configurable Items Potentially Affected by Proposed Solution(s) <i>(optional by BSCCo)</i> CRA URS IDD Parts 1 and 2 NETA Data Flow Catalogue | |
| Impact on Core Industry Documents <i>(optional by originator)</i> | |
| Related Changes and/or Projects <i>(mandatory by BSCCo)</i> | |
