Detailed Impact Assessment Responses for CP1380

Organisation	Agree?	Impacted?	Comments
Centrica	Yes	Yes	Agree change comment – We agree that this change will be an improvement to the BSCP and will provide flexibility to suppliers in meeting their obligations. For which role is your organisation impacted? Improved flexibility in meeting BSCP 510 obligations Please state what the impact is – n/a Lead time comment – n/a Would implementation in the proposed Release have an adverse impact on your organisation? No Associated costs comment – No associated costs Any other comments –n/a
Electricity North West Limited	Neutral	No	Agree change comment - Neutral For which role is your organisation impacted? Distributor Please state what the impact is – n/a Lead time comment – n/a Would implementation in the proposed Release have an adverse impact on your organisation? n/a Associated costs comment – n/a Any other comments – n/a
ScottishPower	Yes	No	Agree change comment – This seems a sensible and pragmatic solution to ensure that in future an appropriate sample size is in place. For which role is your organisation impacted? n/a Please state what the impact is – n/a Lead time comment – n/a Would implementation in the proposed Release have an adverse impact on your organisation? n/a Associated costs comment – n/a Any other comments -

Detailed Impact Assessment Responses for CP1380

Organisation	Agree?	Impacted?	Comments
TMA Data Management Ltd	Yes	No	Agree change comment – Yes For which role is your organisation impacted? No Please state what the impact is – n/a Lead time comment – n/a Would implementation in the proposed Release have an adverse impact on your organisation? n/a Associated costs comment – No cost Any other comments – n/a
npower	Yes	Yes	Agree change comment – We are supportive of the change as it would facilitate the collection of quality sampling data and remove any potential issues which might be encountered during SMART rollout. For which role is your organisation impacted? Supplier, NHHDC, NHHDA and MOP Please state what the impact is – Further agent options would now be available which we view as being positive. Lead time comment – n/a Would implementation in the proposed Release have an adverse impact on your organisation? No adverse impact we are aware of. Associated costs comment – No additional costs. Any other comments - The removal of the restrictions will reduce the complications within the current process and should allow for better quality sample data and volumes to be collected.
