

MODIFICATION P294

PROPOSED LEGAL TEXT

ANNEX X-1: GENERAL GLOSSARY (v55.0)

Amend the following definitions in Table X-1 to read as follows:

"Offshore Transmission System":	has the meaning given to that term in the Grid Code <u>and, for the purposes of the Code, shall include Offshore Transmission System User Assets;</u>
"System":	means the Transmission System, or <u>a Distribution System or Offshore Transmission System User Assets;</u>
"Systems Connection Point":	means a point of connection (whether consisting of one or more circuits) between two or more Systems excluding: <u>(a) -a point of connection between Distribution Systems in the same GSP Group; and</u> <u>(b) a point of connection between Offshore Transmission System User Assets and the Transmission System;</u>
"Total System":	means the Transmission System, <u>each Offshore Transmission System User Asset</u> and each Distribution System;

Insert the following new definition in Table X-1 in alphabetical order:

<u>"Offshore Transmission System User Assets":</u>	<u>has the meaning given to that term in the Grid Code;</u>
