BSCP 40 – Change Management

Respondent	Location	Comment
ScottishPower	3.5.9-3.511	Are all objections automatically upheld? This doesn't seem to allow for ELEXON (or appropriate committee) to reject an objection and insist on it being housekeeping. 3.5.8 states they have to put justification in the objection, so I assume that justification will be adjudicated somehow? What happens if objection not upheld? Can it be withdrawn / rejected?
